

Joe Jeter Sales Brunner & Lay Electric Hammer Tools

Electric hammers fit into the same category as the pneumatic chipping hammers and are used for the same purposes. They have become extremely popular in the construction industry and we produce a full range of tools to meet this demand. These tools will fit into the demolition and rotary type hammers supplied by such companies as Black & Decker, Bosch, Kango, Metabo, Milwaukee and others.

SDS-Max

Bosch: 11214EVS, 11216EVS, 11227E, 11230EVS,

11231EVS, 11235EVS, 11245EVS,

11309EVS, 11321E, 11313EVS, 11316EVS

Dewalt: DW540K, DW541K, DW545K

Hilti: TE55, TE76ATC, TE505, TE705

Working End	Length	Part #	Wt	Price
